**WISCONSIN & CABLE TODAY/CONNECT COMMUNITIES PROGRAM GOAL:**

The goal of the Main Street and Connect Communities Program is to support downtown community development in the state of Wisconsin. This Wisconsin supported program through Wisconsin's Economic Development Corporation provides us with support to: develop a plan that assists our community in: 1) coordinating with public and private sector, 2) soliciting private sector funds, and 3) helping municipalities engage in revitalization with help from interested individuals and organizations.
