

## CABLE CONNECT COMMUNITIES

January 9<sup>TH</sup>, 2020

### ***In Attendance***

Elaine Adams, Sara Balbin, Deneen Carpenter, Elizabeth Holland, Kristine Lendved, Stacey McKinney, Deb Nelson, Suzanne Rooney, and Sue Thurn (Chair)

### ***Purpose***

Community Support and Communication (especially during Covid-19)

- 1) Sue asked us to consider the following questions:
  - (a). What are businesses and non-profits in Cable doing that could be communicated
  - (b). How would that communication take place
- 2) There was a good bit of discussion around who was doing what in our Community and several key components were identified, such as: Care, Food Shelf, Meals on Wheels, Vegetable orders through Velo, Cable Café, and Lakewoods providing meals.
- 3). Questions were raised about using the Town website, the Chamber, written postings, a dedicated phone line, and public service announcements with local radio stations all to get the word out.
- 4). Updates were given on the reusable bags; Ideas were exchanged on the possible "Step it Up Cable" program (more work to be done on this)
- 5). There are concerns for those living alone as well as for a healthy food supply.

All are willing to work toward keeping Cable healthy. A list of what each has agreed to do follows:
