September Monthly Road & Property Report

Here is what has been happening the last month;

- Dug out the swamp and vein of clay on Frels Rd and then backfilled and graveled.
- Worked on installing the large mower deck on the tractor
- Hauled 10 loads of 1"-4" screened rock from Barnes for road construction
- Cleaned out culvert from beaver multiple times on Big Brook Rd
- Replaced a number of road signs
- Move 2000 yards of rock material for gravel crushing
- Hauled 10 loads of clay from Drummond for making gravel at the shop
- Installed new soap dispensers in the public restrooms & preschool
- Pressure washed graffiti off of the public restrooms
- Dug out stumps on Sunset and Frels Rd and hauled away
- Installed flag lights at the Park, Cemetery, Community Center
- Hauled material for the construction of the Pump track at the park
- Received all the parts and began repairs on 2015 Western Star
- Maintenance on equipment

Looking forward, here is what we have planned.

- Fall grading on our roads
- Gravel, water, compact Sunset Rd in preparation for paving this fall
- Ditching Sunset Rd
- Mixing salt/sand for the winter
- Planning, marking out next years road work
- Applying for LRIP funding
- Installing culverts in Frels Rd.

As always, please call or email with any concerns or talk with elected officials. Any after hours issues, such as trees down, etc., don't hesitate to call the Bayfield County Sheriff and let them know. They will dispatch us out. Have a great fall and be safe.

Respectfully submitted,
Jason Swanson, Road & Property Foreman
