

## Tree clearing - Frels and Sunset Rds

Starting next week (12/7/20), a contractor will begin the right of way clearing on Frels Rd and then Sunset Rd. There will be momentary road closures due to machinery and trees on the road. It is recommended that residents avoid these areas and use an alternate route if possible. The work will begin by the town transfer site driveway and proceed southwest from there. Work on Cable Sunset will begin after Frels Rd and that work will begin just past Mark Rasmussen's and proceed to Sunset Ext. Any questions please call or email me. Thank you
