- (b) In the event that ice has formed on any sidewalk in such a manner that it cannot be removed, the owner, occupant or person in charge of the parcel or lot which fronts upon or adjoins said sidewalk shall keep the sidewalk sprinkled with material to accelerate melting or prevent slipping.
- (2) Snow which is removed from public sidewalks may be deposited on public streets only from 7:00 P.M. to 6:00 A.M. Persons depositing snow and ice on public streets at any other time, will be subject to the penalties specified in Ordinance #21-97.
