Dog License Information

If you are a permanent Cable resident and own a dog (or he/she owns you) a license is required. Please write a separate check for the license fee, do not include it in your property tax check. A copy of the rabies certificate must be included with the payment; receipts from a veterinarian do not have all the information needed. License fees are \$12.00 for intact dogs and \$5.00 for neutered or spayed dogs. WI state law requires all dogs be vaccinated for rabies by a veterinarian at no later than 5 months of age and re-vaccinated within one year after the initial vaccination and every three years thereafter. Please enclose a copy of the vaccine certificate along with a self-addressed stamped envelope for the tag to be mailed back to you. Your vaccine certificate can be returned to you if it is requested. Please fill out your name, address and phone number, if different than on the rabies certificate.
