

❄️ Join the New Recreation Committee ❄️

We're currently seeking volunteers for our Recreation Committee, a vital standing committee under the Town Board, conducting activities in collaboration with the Plan Commission. Your involvement will help implement the Town's Recreation Plan, which is an essential part of our Comprehensive Plan aimed at improving physical health and supporting the local economy.

Our goal is simple: Expand recreational opportunities for residents and visitors, offering more ways for the community to engage in physical activity, recreation, and fun. By joining, you'll contribute directly to enhancing the quality of life here in Cable!

We are looking for volunteer residents, property owners, and stakeholders in the Town of Cable who:

- * Have an interest in recreational activities, whether as a participant, business owner, or community advocate.

- * We want a broad spectrum of recreational activities - from motorized to non-motorized, indoor and outdoor - that make Cable such a unique place to live and visit.

How Does it Work?

- * Quarterly Meetings: The Committee will meet regularly four times a year (January, April, July, October).

- * Interim Meetings: We may gather on an as-needed basis to address specific needs or opportunities.

Submit a letter of interest by July 15, 2025, to Bobbi McCauley, email bobbi.mccauley@townofcable.com, mail to PO Box 476, Cable, WI, 54821, or drop it off at the town office dropbox.
